## RECREATIONAL REPORT

The Summer Playground Program open to the children of the Community of West Rutland was in effect during the months of July and August, 1947, and the high school athletic field was made available for the program.

Approximately 125 children registered with the playground supervisors on opening day.

The following activities were made available to playground attendees:

- 1 Swings, sandpiles, paper cut-outs, and coloring books.
- 2 Girl's softball and volley ball
- 3 Boy's and girl's croquet
- 4 Boy's Baseball
- 5 Weekly swimming instruction at the Rutland Municipal Pool.
- 6 Tennis
- 7 Basketball

With the cooperation of Mr. Ellery R. Purdy, Rutland Swimming Pool manager, children of West Rutland playground were permitted to take advantage of the Swimming Pool free of charge. It was arranged so that many of the younger children were able to take advantage of the "Learn to Swim" program at the Pool. A bus was chartered each week and transported an average of 55 children for a period of six weeks.

For the boys, midget baseball proved the most popular. A team nicknamed the "Catamounts" represented the West Rutland Playground in the Rutland County Midget League. Home and home games were scheduled with Proctor and Rutland and two outside contests were played with Camp Holy Cross of Burlington. The team won five of its six games and won the RCML title from the Rutland playground team.

### Recommendations:

The following recommendations are submitted:

1. New swings, teeter board, merry-go-round and general equipment for children
2. Resurface tennis court on present site of skating rink.
3. Handicraft materials
4. If possible arrange, a more extensive swimming program. This was by far the most popular of all activities and would be enthusiastically received in a succeeding program.

Respectfully submitted,

FRANCIS L. ROBILLARD
